

CURRICULUM VITAE

DORIS A. ABOOD

Department of Nutrition, Food
and Exercise Sciences
408 Sandels Building
Florida State University
Tallahassee, FL 32306-1493
(850) 644-4796

EDUCATION

- August 1981 Doctorate of Education
University of Tennessee, Knoxville, TN
Major area: Health Education/Public Health
- June 1979 Master of Arts, Health Education,
University of Florida, Gainesville, FL
Honors: American Cancer Society Scholarship
- June 1972 Bachelor of Science. Elementary Education.
Florida State University, Tallahassee, FL

PROFESSIONAL EXPERIENCE

August 1990-
Present **Associate Professor**, Department of Nutrition, Food
and Exercise Sciences, Florida State University,
Tallahassee, FL

Responsible for teaching graduate and undergraduate
courses in health behavior, nutrition counseling wellness/risk-reduction,
stress-management; supervision of graduate students writing theses and
dissertations and, academic advising.

August 1985-
May 1990

**Health Education Program Coordinator and Co-Director Center for
the Study of Wellness**

Responsible for coordinating and administering the
Health Education Program, Department of Human Services and Studies
(COE/FSU); established and co-directed Center for the Study of Wellness
to promote research, instruction, and service related to health promotion
and disease prevention.

September 1984-
June 1985 **Visiting Professor**
Department of Health and Community Service, California
State University, Chico, California

August 1981-1984 **Assistant Professor**, Health Education Program, Department of Human
Services and Studies (COE/FSU)

August 1979-
June 1981 **Graduate Teaching Assistant**
Department of Health Education and Safety, University of
Tennessee, Knoxville

RESEARCH FELLOWSHIPS

May 1991-
August 1991 **Senior Research Fellow**, Naval Health Research Center, Health
Psychology Program, San Diego, California.

June 1988-
August 1988 **Summer Faculty Research Fellow**, Naval Health Research Center, Health
Psychology Program, San Diego, California.

AWARDS

1993 Teaching Incentive Award
1998 University Teaching Award
1999 Teaching Incentive Award
2006 University Teaching Award

COURSES TAUGHT

Models of Health Behavior
Nutrition Counseling/Health Communication
Wellness/Risk Reduction
Science of Nutrition
Behavioral aspects of energy metabolism
Alternative and Complementary Approaches to Health
Stress-Management
Bio-behavioral Health
Environmental Influences on Health and Disease
Community Health Problems
Introduction to Community Health
Personal Health

PUBLICATIONS

Refereed Journal Articles

Abood, DA (1984). The effect of acute physical exercise on the state-anxiety and mental performance of college women. American Corrective Therapy Journal. May/June, 69-74.

Abood, DA. & Ringelberg, ML. (1985). Geographic variation in birth defect rates in Duval County, Florida, 1973-1981. Southern Health Practices, 6, 1: 3-4.

Abood, DA (1986). The plate spinner: A stress awareness activity. Health Education, August/September, p. 9.

Abood, DA & Milton, S. (1987). A path-analytic model for investigating the relationship among stress, illness, social support and health practices. Health Education, Vol. 19, 4: 22-26.

Refereed journal articles since promotion

Abood, DA & Burkhead, EJ.** (1988). The wellness concept: A valuable resource for persons with disabilities, Health Education, Vol. 19, 2: 21-25.
Application of the dimensions of wellness to people with disabilities.

Fletcher, D** & **Abood, DA.** (1988). An analysis of the readability of product warning labels: Implications for curriculum development for persons with moderate and severe mental retardation. Education and Training of the Mentally Retarded, Vol. 23, No. 3, p. 224-227.
Analysis of potential difficulties that people with disabilities may encounter in reading product warning labels.

Abood, DA. & Conway, TL**. (1991). Health value, self-esteem and wellness behaviors. Health Values 16:20-26.
Investigation of the relationship that one places on health and one's self-esteem to specific health behaviors.

Abood, DA. & Conway, TL**. (1993) Health values, behavioral intentions and wellness behaviors. Wellness Perspectives 9(2):14-26.
Investigation of the relationship that one places on health, intentions to engage in specific health behaviors, and current wellness behaviors.

- Abood, DA.** & Conway, TL.** (1993) Smoking status and body composition, exercise, and diet among Navy men. Health Values 18 (4):51-62.
Investigation of the relationship among various levels of cigarette smoking to body fat, physical exercise, and dietary behaviors.
- Chandler, S** & **Abood, DA,** Lee, DT.* et al. (1995) Body dissatisfaction and pathogenic eating attitudes and behaviors in black and white college students. Journal of Eating Disorders 15 (3): 60-67.
Differences between black and white college students in risk for the development of eating disorders.
- Abood, DA.** & Chandler, S.** (1996). Race and the role of weight, weight change, and body dissatisfaction in eating disorders. American Journal of Health Behavior 1(1): 21-25.
Differences between black and white college students on variables affecting body dissatisfaction.
- Abood, DA** & Mason, M*. (1997). Exploring racial differences in body dissatisfaction and eating disorders. American Journal of Health Studies 13(3): 119-127.
Item analysis of responses of black and white college women to questions regarding body perceptions, eating disorder risk, and specific health behaviors that would decrease risk.
- Abood, DA** & Black DR.** (2000). Health education prevention for eating disorders among college female athletes. American Journal of Health Behavior, 24 (3) 209-219.
An evaluation of a health enhancement program on the prevention of eating disorders.
- Granner M,* **Abood, DA.** & Black DR.** (2001). Racial differences in eating disorder attitudes, cigarette, and alcohol use. American Journal of Health Behavior. 25 (2): 83-99.
Investigation into the co-occurrence of cigarette smoking and alcohol consumption with eating disorder risk among black and white college women.
- Granner M,* Black DR.** & **Abood, DA.** (2002). Levels of cigarette and alcohol use related to eating disorder attitudes. American Journal of Health Behavior, 26 (1): 43-55.
Investigation of the levels and reasons why women use cigarettes and alcohol in relation to eating disorder risk.
- Abood DA,** Coster DC,** Mullis AK.** & Black DR.** (2002). Evaluation of a loss-framed minimal intervention to increase mammography utilization among medically un- and under-insured women. Cancer Detection and Prevention, 26(5): 394-400
Application and evaluation of the framing postulate of prospect theory to mammography utilization.

Abood DA, Black DR. & Birnbaum RD.*.** (2003). Nutrition education intervention for college female athletes. Journal of Nutrition Education and Behavior, 33: 135-139. Evaluation of the theory-based nutrition education program designed to increase knowledge, dietary self-efficacy, and healthy eating patterns .

Abood DA. Black DR. & Feral D.*** (2003). Nutrition education intervention for university staff: Application of the Health Belief Model. Journal of Nutrition Education and Behavior 35: 260-267.

Evaluation of a theory-based dietary intervention designed to reduce the risk for cardiovascular disease and cancer.

Black DR, Larkin LJ,** Coster DC,** Leverenz L.** & Abood DA.** (2003).

Physiologic Screening Test for eating disorders/disordered eating for female athletes. Journal of Athletic Training, 38, 286-297.

Development and evaluation of the first physiologically-based eating disorders assessment designed especially for athletes.

Abood DA, Black DR, & Coster DC.**** (2005). Loss-framed minimal intervention increases mammography use. Journal of Women's Health Issues, 15: 258-264. Second in a series of three studies to test the use of a loss-framed communication strategy to increase mammography utilization among low-income, urban women.

Abood DA, Black DR & Coster DC.** (2007). Evaluation of a teen-obesity prevention program. Journal of Nutrition Education and Behavior. In press.

Book Chapters

Daly JA, **Abood DA.** & Cleveland ME. (1991). The epidemiology of eating disorders. In Holliman, S.C. (Ed) Eating Disorders and Athletes. Dubuque: Kendall Hunt.

Bickford B, Daly JA & **Abood DA.** (1991). Strategies for prevention/ intervention of eating disorders. In Holliman, S.C. (Ed.). Eating Disorders and Athletes. Dubuque: Kendall Hunt.

Funded Research

1982

Abood DA. Summer COFRS Grant. An epidemiologic investigation of birth defects in relation to identified hazardous waste sites in Duval County, Florida. 1973-1981. \$3500

1987-88

Abood DA. An investigation of the relationship between stress, illness, health practices, social support and psychological hardiness. HSS, Florida State University. \$1000.

1987-88

Abood DA & Burkhead EJ. Wellness programming for disabled individuals. Department of Human Services and Studies, Florida State University. \$1000

1991-92

Abood DA, Daly J, & Cleveland M. An investigation of the prevalence of eating disorders among FSU students. Division of Student Affairs, Florida State University. \$1000

1993-1994

Abood DA. (Co-PI) & Anderson KA (PI). NET Grant to develop an educational video on wellness. Florida Department of Education \$45,000.

1993-1994

Abood DA, Anderson KA, & Toole T. College of Human Sciences IRI grant to plan for the investigation of what constitutes health in the elderly, \$4,900.

1994-1995

Rankins J., Cook L., Wetherspoon L. & Abood DA (co-PI). Dietary modifications for minority populations. USDA \$250,000.

1999

Abood DA (PI), Mullis AK. (Co-PI). Pilot planning grant for increase in mammography utilization among uninsured and underinsured women in Florida. Research Initiation Award Program, College of Human Sciences, Florida State University, \$2000.

2000

Abood DA. (PI), Mullis A. (Co-PI). Increasing mammography screening among medically underinsured and uninsured women in Florida. American Cancer Society, Florida Division, \$19,455.

2003

Abood DA. Preliminary testing of written-version of loss-frame communication strategy for increasing mammography utilization among African-American women. College of Human Sciences Research Initiation Award, \$1,640.

2004

Abood DA. Evaluation of Florida Department of Education Breakfast Enhancement Program among 67 counties in Florida 1997-2004, \$68,025.

2004

Abood DA. Evaluation of Florida Department of Education Breakfast Enhancement Program Among 67 counties in Florida 1997-2004 by grade level, \$6,678.

2005

Abood DA. Evaluation of Florida Department of Education Teen Obesity Prevention Program, \$494,000.

2006

Abood DA. Evaluation of Florida's Wellness Policy Implementation. FLDOE, \$6700.

2007

Abood DA. Breakfast Enhancement Program: Evaluation of Best Practices. Florida Department of Education. \$61,000

Un-funded Proposals

Abood DA. (2003) Evaluation of a loss-framed written message to increase mammography utilization among medically un- and underinsured African-American women. American Cancer Society, \$66,659

Abood DA. (2004). Evaluation of a loss-framed written communication to increase mammography utilization among medically un- and under-insured African-American women. National Cancer Institute (R03), \$143,000.
